

MS Roof Engineering – Terms & Conditions

Welcome to MS Roof Engineering. By using our services, you agree to the following Terms and Conditions.

Scope of Work: MS Roof Engineering provides complete roofing solutions including installation, repair, maintenance, and related services.

Quotations & Pricing: All quotations are based on project requirements. Prices may vary depending on materials, site conditions, and additional work requested.

Payment Terms: Payments must be made as per the agreed schedule. Delayed payments may affect project timelines.

Project Timeline: We strive to complete projects on time; however, delays may occur due to weather, material availability, or unforeseen circumstances.

Warranty: Warranty is applicable only for agreed materials and workmanship under normal usage conditions.

Client Responsibilities: The client must provide accurate project details, site access, and necessary approvals before work begins.

Limitation of Liability: MS Roof Engineering is not liable for indirect or incidental damages beyond the agreed project scope.

Termination: Either party may terminate the agreement under valid reasons with prior notice.

Governing Law: These terms are governed by the applicable local laws.
